

Better together. It's about time to see how.

Sammy and ModMed® have combined our collective experience to bring innovative EHR systems, practice management and technological solutions to the podiatry field. It's about time for an experience designed just for you—podiatry practices that need both the flexibility of a personal connection and the stability that expanded resources can provide.

Now Sammy users can have both with ModMed® Podiatry. Building on years of experience and customer focus, we're positioned to deliver intelligent solutions to help meet the goals and needs of your practice.

How can ModMed® Podiatry benefit me as a Sammy user?

A powerhouse of podiatry knowledge, we're expanding access to tools and resources that meet Sammy users' unique needs.

- iPad native and web accessible
- Electronic medical info intake included
- Appointment reminders included*
- Waitlist functionality
- Built-in automatic suggested coding
- Easy-to-use analytics and reporting
- Patient portal to upload patient forms
- Camera tool takes pictures within patient record

*Offered at an additional cost for some packages.

“The conversion from our previous system was seamless and the ModMed team provided great support along the way...The all-in-one podiatry system is much more cohesive and it's been smooth sailing ever since.”

— DESIREE GARZON, DPM, COUNTY WIDE
FOOT, ANKLE & WOUND CARE ASSOCIATES

Meet Your ModMed[®] Podiatry Team

Former Executive Team at ICS Software

Pamela Bobrow
GENERAL MANAGER,
MODMED PODIATRY

Debbie Lieber, RN
PRODUCT MANAGEMENT DIRECTOR

ModMed Podiatry Physicians

ModMed Podiatry is more than a software solution. It's backed by a collaborative team of podiatry professionals, resulting in a podiatry software suite that feels like it's designed just for you.

Martha Holzworth, DPM
MEDICAL DIRECTOR FOR PODIATRY

Martha Holzworth serves as the team lead for podiatry where she focuses on designing and developing foot- and ankle-focused content for podiatrists and orthopedic specialists. She is a board-certified foot and ankle specialist practicing in Boca Raton, where she's on staff at Boca Raton Regional Hospital and Boca Raton Outpatient Laser and Surgery Center.

John V. Guiliana, DPM, MS
MEDICAL DIRECTOR FOR PODIATRY

Dr. Guiliana is a nationally recognized speaker and author on topics pertaining to medical practice management. He is a Fellow of the American Academy of Podiatric Practice Management and holds a master's degree in Healthcare Management. He has authored numerous columns in various journals and is the co-author of *31½ Essentials to Running Your Medical Practice*, as well as *The Million Dollar Practice...Keys to Success*.

Sharon Monter, DPM
SENIOR CUSTOMER SUCCESS MANAGER
FOR PODIATRY

Dr. Sharon Monter is a licensed physician in the state of New Jersey. She received her Medical Degree from the New York College of Podiatric Medicine. Dr. Monter completed three years of residency at Gouverneur Hospital in Manhattan, NY, Bergen Regional Medical Center in Paramus, NJ, and Peninsula Hospital in Queens, NY. She continues to treat patients in her private practice.

Growing your practice together

At ModMed, we're committed to developing a long-term plan for success for our current Sammy users and providing tools that help support your growth as a podiatry practice and healthcare provider. Let's talk about how we can help support your goals for business success.
