

MIPS SUCCESS

2022 by the Numbers

In the sixth year of CMS's Merit-Based Incentive Payment System (MIPS), hundreds of MIPS Advising clients submitted their MIPS data.* They achieved outstanding preliminary results.

MIPS ADVISING RESULTS FOR EMA[®] USERS IN 2022*

of MIPS Advising clients met their score goals (2022 final preview score)

scored 75 points or more, avoiding penalties (2022 final preview scores)

The average total score for MIPS Advising clients (2022 final preview scores)

scored 89 points or more, qualifying for a positive payment adjustment

WHAT'S AT STAKE IN 2023

Up to **9%**

max negative payment adjustment in 2025 for performance year 2023

For **\$1M**

billed in Medicare, there could be up to a \$90,000 penalty, for example

75

The number of points needed to avoid the penalty

The Exceptional Performance bonus is no longer available

98

Average customer satisfaction score (CSAT) for the MIPS Advising Program**

“

"I don't think we could have survived the MIPS submission process and far surpassed the minimum requirements without our amazing MIPS Advisor. She helps me keep up with our six providers' measures and identify what we need to work on or what's missing."

Kim Hill, Clinical Supervisor
Charlotte, North Carolina
